

Salamonie Saturday Activities 2015

Join us each Saturday at Salamonie Interpretive Center!

****Programs are for ALL ages and FREE unless specifically noted otherwise! ****

July 25, noon to 2:00 p.m. **Metamorphosis**

What do butterflies, bees, and frogs all have in common?

Come in and find out how some animals go through different stages of life as they grow.

August 1, 10:30 a.m. to 11:30 p.m. **Pond study**

Ever wonder what lives in our lakes and ponds? Now you can find out as we examine the diversity of life in our Wildlife Management Pond. Bring clothes you don't mind getting dirty!

August 8, 11:00 a.m. to 3:00 p.m. **Plant Science and more!**

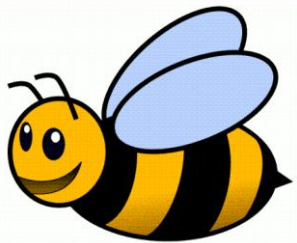

Part of our **Second Saturdays** program. Learn about plant parts, pests, native and invasive plants, plant needs, gardening naturalist, wildlife conservation, and map and compass activities. **\$4 program fee.**

Please pre-register by calling **260-468-2127**

August 15, 11:00 a.m. to 4:00 p.m. **Bird scavenger hunt**

Who can find all the different kinds of birds that live around Salamonie Lake?

Drop by the Interpretive Center any time between 11 a.m and 4 p.m. to make some pinecone bird feeders and grab a bird check list.

August 22, 11:00 a.m. to 4:00 p.m. **Garden Walk / Nature playground**

Our Master Gardeners have worked so hard! Drop in between 11 a.m. and 4 p.m. and enjoy our garden and all the wonderful animals it attracts while the kids play on our unique nature playground.
